The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for the Valley View Blvd. Pedestrian Safety Improvements – Vision Zero Program in fiscal year 2024. The entity to receive funding for this project is the City of Las Vegas located at 495 S. Main Street, Las Vegas, NV 89101.

Implementation of this project would accelerate the construction of targeted safety improvements identified in the City's Vision Zero Action Plan along Valley View Blvd. between Desert Inn Rd. and Charleston Blvd. to enhance safety for vulnerable road users. The improvements will include Federal Highway Administration proven countermeasures for pedestrian and access management safety improvements.

The project has a Federal nexus because the funding provided is for purposes authorized under Section 133(b) of title 23, United States Code, as amended by title III of division A of the Infrastructure Investment and Jobs Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Steven Horsford".
